

# Call for Proposals

FORESTEDWEST

March 17-20, 2022  
Coast Canmore Hotel | Canmore, Alberta

**ForestEDWest** is designed to bring forest and forest education practitioners together to share ideas, best practices and resources that will shape the future of our forests through education.

**This is your opportunity to help guide the conversation by sharing your work and programs!**

## Conference Themes:

- ✓ Forest Ecosystems and Environment  
*(including water, wildlife, climate change)*
- ✓ Sustainable Forest Management
- ✓ Best Practices and Resources for Forest Education *(K-12 and public outreach)*
- ✓ Post-Secondary Pathways
- ✓ Diversity and Inclusion in Forestry
- ✓ Forest Technology, Innovation and Careers
- ✓ Forest Stewardship

## Proposals are being accepted for:

### Breakout sessions:

20-30 minute formal presentations

### Hands-on workshop:

45 minute indoor or outdoor sessions

### Roundtable discussion hosts:

10 minute facilitated discussion on the topic of your choice

### Resource Booths:

Set up for the duration of the conference *(\$150 fee)*

### Field Tours:

~1.5 hours on site, with maximum one hour drive from Canmore *(buses provided)*

## If your submission is selected you will:

- Be invited to attend the full conference *(limited registration spaces available)*
- Have your work and programs profiled throughout Western Canada
- Gain meaningful personal and professional development including continuing competency credits

*"This event promises to improve understanding of forestry among the teachers of our next generation of environmental stewards. The more these key societal leaders can learn about forest ecosystems, sustainable forest management, and forestry careers, the healthier our forests and the stronger our renewable resource management practices will be in future."*

– Janet Millar,  
Millar Western Forest Products
