

FORESTEDWEST

# FOREST EDUCATION CONFERENCE CONVERSATION

March 17-20, 2022  
Coast Canmore Hotel | Canmore, Alberta

## ForestEDWest 2022 will set direction for the future of forest education in Western Canada through the:

- ✓ Discussion of emerging issues, innovations and sustainable forest futures
- ✓ Exploration of best practices in forest education including public outreach, K-12 schools, and post-secondary education
- ✓ Creation of opportunities for collaboration on forest education initiatives

## Who Should Apply?

Anyone who is interested in advancing forest education will benefit from attending ForestEDWest including:

- K-12 teachers
- Not-for-profit forest education organizations
- Communications and community outreach specialists
- Government representatives responsible for public education and outreach
- Post-secondary educators, researchers, or recruitment representatives

## Apply to Attend

To promote meaningful dialogue, networking and COVID safety we are limiting the number of delegates; you must submit an application to attend.

**Application Deadline: February 11, 2022**

*\*Successful Applicants will be notified by February 15, 2022.*

We encourage all delegates to contribute to the conversation by submitting a speaking proposal. All conference speakers will be accepted to attend.

*Conference registration fee is \$275 (\*Includes all program elements, meals and social events)*

*To remove any barriers to participation Inside Education is offering the conference at **no-cost** to classroom teachers as well as a subsidy for not-for-profit organizations.*
